## CERTIFICATE OF GOOD MANUFACTURING PRACTICE

### To whom it may concern

This is to certify that Higher Nature have registered with us as manufacturers following Good Manufacturing Practice (GMP) for manufacturing products derived from natural sources.

GMP requires that quality checks on the various stages of manufacture and packaging are carried out as appropriate and these tests and checks are carried out in accordance with various Pharmacopoeial and other guidelines to ensure that the principles of Good Manufacturing Practice are in place.

Signed:

A handwritten signature in blue ink, appearing to read 'Graham Keen', is written over a horizontal line.

Graham Keen  
Executive Director

Valid From: 19th May 2022

Valid To: 19th May 2023
